“ *Nick,*

My Mama, Alice Heidt Schmidt, went to school with your mother and your father. She held your mother in such high esteem and I was very saddened to hear from Boozie Moore of your Mother's death. And so soon after your Father's passing. You may not even remember me from school, but I do remember you and the lovely things my Mother said about your Mother. My prayers are with you and your family. Peggy Schmidt Shackelford Columbus, GA
