“ Words cannot express the sorrow that we have in hearts at this painful time, but take comfort from the Holy Scriptures. 2 Corinthians 5: 6-8 says: "So we are always confident, knowing that while we are at home in the body we are absent from the Lord. For we walk by faith, not by sight. We are confident, yes, well pleased rather to be absent from the body and to be present with the Lord." I am confident that Nonna walked by her stong faith in the Lord and therefore, she has been called home to dwell in His kingdom. All who believe in Christ, should rejoice for Nonna, because she is in His loving arms! Please know that we love you so much and are praying that the Lord will deliver you from your sorrow. Take comfort in knowing that someday soon, we will be reunited with all our brothers and sisters in Christ!

With love,

“ Nonna,
You were one of the most loving and generous people that I have ever known. I am so glad that I had an opportunity to know you and very thankful that you had a chance to meet our children. You are going to be missed every minute that we are on this earth. You and your family have shown me how important it is to stay close to one another and have Faith in the Lord. For that I am very thankful. I Love You and can not wait until we meet again!
Rest in Peace and may your beautiful traits live on in this family for generations to come.

“ Dear family,
It's so hard to know what to say at a time like this but please know our hearts are breaking for you. Mrs. Gambino was such a fine lady and it was obvious that she loved her family so much. Please call upon us for anything we may be able to do. We will keep you in our prayers.
