“ Dearest Mr. Rhodes, I don't know if you remember me or not. I used to go to school with Jeff at Albany Jr. Everyone thought we were brothers at school and we never told them any difference. I spent the night with Jeff at your house in Putney I believe it was one time that school year. Sure do miss him. Was sorry to hear about Mrs. Rhodes. I hope you find peace in your time of sorrow and may God bless you and your family.

P.S. If you could, would you email me a picture of Jeff around the year 1969. I want to show my wife who I have told of my friendship with Jeff, and the crazy things we used to do.

*Sincerely,
Carlos Rhodes*
