“ *I'm really sorry to hear of Ms. Anne's passing. I worked for her as an  
intern when I was a student at Albany Tech in 1997. She then hired  
me part time which began my career with the city and then the  
county. Ms. Anne was such a wonderful mentor and friend. She  
would do anything for you that she could. She loved her family and  
bragged about her grandchildren...truly her inspiration. She will be  
missed. Prayers are with her family.*

“ *Dear family, Mrs. Anne was such a delight to work with! She always had something funny to say, to make me laugh! Mrs. Anne was always helpful with any accounting/finance question I may have had....if she didn't know the answer right away, she would find it. If she found a mistake, she would tell you about that as well!!! She had a way of keeping us all in line! Thank you Mrs. Anne for everything...you will be missed!*

“ *I was very sad to learn about Anne's passing. I worked for her as an intern with the City of Albany Finance Department, while a student at Albany Tech in 1988. She became a wonderful friend and mentor. We lost touch during the years. But I remember how she loved her family, and she loved to talk and brag about each one's success. I will pray for your family during this time of sorrow. May God comfort you and know that Anne is comfortable and free of pain now.*
