“ *I just wanted to give you my condolences for the lost of your loved one. We have all lost a loved one in death and during this trivial time it can be very hard to endure. One way that I was able to find comfort was through God's word the Bible. God makes a promise to us that at Revelation 21:4 no more pain, sickness, or death will be anymore. God is not a lie so we know that his promise will come true for all. If you have anymore questions please go to www.watchtower.org for more information.*

“ Annelle was my big sister. I loved her very much and will miss her deeply. We shared so many firsts together--hop scotch, jump rope, games, swimming, fishing, driving, fixing hair, and using make-up. We shared fun stories about dating and life. We enjoyed teasing our brothers, Leo and Jerry, and they loved teasing us, maybe a little too much!

We shared spiritual things, too. Annelle and I attended Byne together. We came to know the Lord Jesus Christ as our personal Lord and Savior and grew in our relationship with Him as we participated in the many teaching organizations of the church. I know that Annelle is in the presence of the Lord now, and I pray that she will help welcome all of us when we make that journey to heaven.

John 11:25-26 "I am the resurrection and the life. He who believes in Me, though he may die, he shall live. And whoever lives and believes in Me shall never die."
