“ I am so glad I started my "career" working in the election with Annibeth at the Century precinct. She was a wonderful teacher and taught me all the ropes on running a precinct. I enjoyed being with her and getting to know her. We had much fun as we worked together and tried to "total up". at the end of the day. She was a great lady and loved her family, her community and her God. She will be missed by all that was blessed to have her touch their lives.
