“ Linda and I have been best friends for over 40 years, I shall miss her like my right hand. We cheered each other on, we held each other in grief, and laugh ourselves silly over stupid stuff sometimes. She was a lady and rubbed my rough edges down. She can't be replaced, but I know because of her, I will see her again in glory.

“ Linda was my sweet back door neighbor when she and Neil lived on Westgate in Albany. I remember seeing her outside on the steps waiting for her kiln to finish some of her ceramic pieces. I have several cherished ones in my home today. If those steps could talk...I spent many hours under her carport sharing stories about everything but mostly about our children. She loved them so. I'm saddened to hear of her passing. My sympathy to her children and grandchildren.

“ Linda and I go back a ways but not sure how long. I enjoyed our talks about her life with her husband during their time in the military. She had the most gorgeous head of hair and it was a joy to cut and style it for her on occasion. I am delighted to have received some of her china plates and have them hanging in my dining area. She loved her family and talking about them was her pride and joy, I have missed seeing her and am so sorry to find she's been ill. I will miss her and beautiful smile. Pat Ashcraft
