“ *When I was a kid hanging out at Aunt Audrey's house we had milk out of a carton with a push button dispenser (absolutely, the coolest thing ever) and ice cream for days. There was always great southern food and a constantly joking Aunt Audrey. I loved spending the week of my summer at her house.*

“ Spent lots of fun times with this sweet lady playing Bingo, and simply enjoying each others company.

My heart goes out to all of her family as they try so hard to cope and accept their loss.

She will be sorely missed by all who knew her !

“ My Granny was the most independent woman I've ever known. She taught me many things- a love for fried pork chops, collard greens, and corn bread to "sop up that pot liquor..." She taught me little things mean so much- sitting on a swing in the shade with a fresh-popped can of RC or Pepsi and salted peanuts dropped in is so tasty. Most of all, she made sure I knew that it's absolutely ok for a woman to stay alone if a man worth her while doesn't come along... There are so many memories of the kindest person I've ever known, but these stand out for me right now.

I love you more than you'll ever know, Granny.

“ To Beth & Family,

I am saddened to learn of her passing She was such a dear, sweet woman. She was like a second mama to me in our years living on Bonneyview. I'll never forget her sweet face that lit up a room when she laughed! I know you all will miss her dearly.
