“ To Jewel and family:

Words cannot express how much we will miss Brother Roy. As much as he will be missed, he can now rest peacefully from his labors here on earth, and, we can all look forward to that glorious resurrection day, when we will all see him again. The only regret I have, is having intentions to come see you all, and, not getting to see him before his death. You and Roy have always treated our family, the Creech family, like your own family, and, for that, we will be eternally grateful. We love you all, and, will be praying for you.

*Love,
Todd Creech and family*

“ Dear Henry, I'm sorry to hear of the loss of your Augusta. I believe the last time I saw you and Augusta was at the Mall a few years ago. I recently experienced a loss like yours. Memories will ease the pain, and then there's the love, always the love. Your friend, Billy

“ Jack,i was so sorry to hear about your mother. I have so many fond memories of your parents. When we were in high school your house was the gathering place for after school activities. Your mother was always fixing meals and snacks for all of us, and your dad was always telling his jokes and talking about the railroad. I still think about these times often.
