“ *Dear Mayah, This has been so hard to put into words for me. I'm glad I had the chance to hold you in my arms and kiss you. You are the perfect angel. You are in the loving company of Great, Great Grandma Dot, Great Grandma Anne, Great Grandpa and Uncle Jack, along with your Mommy's family. That comforts me somewhat. I will keep you in my heart forever. Until I see you again, in my heart you will remain. I Love You and I see your halo in the sky.. Love, Grandma Debbie*

“ Sweet babyayah, every since I saw your precious face I have been walking around in a daze. I can only imagine what your Mommy and Daddy are going through. I have no comforting words for them. All I know to do is sit and cry with them. You will never be forgotten and are loved by so many! Try to be a big girl and help Mommy, Daddy and your sisters. Watch over them.

“ Dearayah,
I want you to know that your mommy and daddy love you very much. Although you left us before we could see your beautiful smile, little eyes or hear you cry for a bottle, please know that mommy and I were crazy about you. I always rubbed your mommas belly and felt you kick. I don't know why you left. I want you back. There's three little girls that miss you dearly also. I'm not mad, I am very sad and heartbroken. Please watch out for us and keep your mommy happy. Someday we will meet again...
I would trade places with you in a heartbeat so your mommy could see you look at her and smile.
Daddy loves you....

“ To my sweet nieceayah.

I already miss you so much. I wish got to hold you, love you, and watch you grow. Uncle chip is so sad he never got to meet you. I promise to never forget you. I promise to have a special place in my heart for you always. I will never forget seeing your beautiful face. You are aboslutely perfect. There's many people in heaven fighting for a chance to hold you I bet... nanny and pappap must be filled with joy that they got to hold you first. I guess I could keep writing but I know that heaven is the only place for an angel like you. Thank you for blessing our lives with you, even if it was for just a moment in time, our lives will be richer because of you.

“ Although words cannot dim the pain, nor time heal your wounds, Christ's mercy and love can carry you through. We so not know why your angel was called home, but rest in the assurance of knowing, she is forever in the arms of Jesus. She awaits you in heaven and will meet you on that day, when God calls you home to be with him. Until then, she will watch over you. With much love, The Barbee's
