“ *To the Beauchamp Family,*

Although I've only known Beebe for eight years it was an honor to have known her. I found her to be a very loving, caring and giving person. My condolences to the family, may they find solace in knowing how much she was loved and will be missed.

“ I will never forget the little acts of kindness Ms. Beauchamp showed me and my family over the years. I especially remember the time she brought a miniature Christmas tree to our house so I could take it to my Dad's hospital room when he was trying to recover from lung surgery over the Holidays. I remember her saying she wanted him to have some Christmas cheer. Our thoughts and prayers are with the family during this sad time.
