“ Aunt Barbara was a charismatic, funny lady who loved entertaining and really knew how to throw a party. Many times when the family gathered at her house we were entertained with skits. music and dance. She was a gracious lady with many talents.
Love to Barbara and the entire Davis family.

“ Kathy and Family,
I am so sad to hear of Barbara's passing. I worked with her while I was in college. That was many, many years ago. We worked at Connie's during the opening of the Albany Mall. This was back in the late 70's. Your mom was older and wiser than me and we had fun selling lingerie. I still have a small figurine that she gave me when I left to go away to college in Statesboro. She loved her family very much. I lost touch after I went away but will always remember her for her kindness and laughter.
