“ Barbara, was a great friend. She was always there for a friend and if she could help you she would bend over backward to do it. She was a lady that when she gave her word she stood by it.....

“ Barbara was such an intelligent lady. She was valedictorian of our high school senior class. More importantly, she had a kind heart and spent a lifetime nursing those who needed her help. It was such an honor to get to see her last year at our 40 year reunion. May she rest in peace.
