“ *Dear Jimmy and Ross, Words cannot express our sympathy for your loss. In the hospital, all I could think of was the line from "Steel Magnolias" I was there when that wonderful person was born and I was there when her spirit left us. The in-between times were wonderful with her. She was truly a remarkable person and she will be missed by all of us here in Baton Rouge.*

“ To Jimmy and Barbara's family, I am truly sorry for your loss. I am reminded to say that to be absent from the flesh body is to be with GOD, and she is watching over you in your grieving period. May GOD bless you all. She was as wonderful lady I'll always remember my association with her and Jimmy.

“ Dear Jimmy, We spoke merely a week or so ago about how quickly any one of us can be taken from this world and when it happens how lost we are to find the words to say. I had no idea that Aunt B was ill. You and Ross are in our prayers. We love all 3 of you very much.

“ *May your memories of wonderful times help you through this sadness. Barbara and I went to school together and although we saw each other only now and then our meetings were always filled with fun. She was so in love with life but she lived to love the two men in that life. Jimmy and Ross know that most of her sentences started with one of your names. She is pain free now and will continue to watch over you with all her love.*
