“ *Barbara is my cousin and I can remember, when I was much younger, staying with my Aunt Doris and my Uncle HT and getting to know Barbara better. I always cared about her a lot, and I will miss her very much. I still have two voicemails of her voice on my cell phone which I just can't bring myself to delete.*

“ *As a youth growing up in the Third Ave and Rawson Circle area you knew that Ms. Barbara was someone to respect. As an adult I was very glad to spend a small amount of time around Ms Barbara, and to watch her as she helped and interacted with her friends. One thing that was plain to see was that if you were a friend of Ms Barbara , you had a true friend.I was reminded of the respect that I had always had for her.*

“ Saddened by news of Barbara's passing. Getting to know her when she was helping Mrs. June Middleton, I liked her "tell it like it is" and "get it done" attitude. My sympathy to her loved one, friends, and admirers.

“ Dear Heath and family,

*I was so sorry to read this in the Herald, especially since Barbara and my late mother, Sara Purvis, were such good friends for so many years. I did not know your mother well, but had the pleasure of visiting with her last February when I was in Albany for my own mother's funeral. I came by her office, just to say a quick hello, and ended up talking and laughing for nearly an hour. Barbara and Mother had so many friends who have gone on ahead.... and I know my Mother is glad to have her near again. My sincere condolences on your loss.*
