“ BJ was a special person, she always had a smile, always something nice to say. She ran Chemical and Furnish Prep with an iron fist though! I enjoyed the many years we spent together.

“ BJ and I worked together in C&FP at P&G. We both became computer reps for our teams back when they first brought computers into our area, so I got to spend more time with BJ as part of that team. BJ worked hard to make sure the systems would work in our department and not cause a lot of extra work to our teammates. We had a lot of great times together and spent many lunches and breaks together. I have missed her since I left the Albany plant back in 1998 to move to Cincinnati.

*I remember her talking of her love of fishing especially with Reggie. It was so awesome to see her happy after they met. They seemed perfect for each other.*

*For all of her family please accept my sincere condolences.*

“ *To Mrs. Barbara's family, I am so sorry for your loss. I enjoyed talking to your mother and to Mrs. Grace whenever they visited my office. Both were sweet ladies. I always enjoyed getting my annual Christmas card signed by both Barbara and Grace. I pray that for peace and comfort during this difficult time. And hope that you find comfort knowing Mrs. Barbara is resting in the arms of our Lord.*
