“ *Your sweet Motther is at peace, free from the crippling disease that she fought tooth and nail. You are amazing "children" who took such care of her and she waits for the day when you all join her. It was such a privalige to care for her,*

We are so sorry to hear of your mother's passing. Please know that we pray for God to comfort your family during this time of sorrow.

It's been a long time since I've spoken with Barbara, but the one thing I remember most about her was how much she loved her children.

God Bless You.
