“ *Dear Catherine and family.*

I was shocked when I saw the Paper Wed. night. I never thought anything would stop Mike. We used to have a great time working together at "Wilson's" and we shared a lot of interests together. I can assure you that you and the kids were utmost in his life and his pride and joy.

I had been trying to contact Mike in the past few months, to see what he was up to, but didn't know where you'all had moved to.

Mike will be missed by all who knew him.

Warmest regards to you and yours.....Skelly
