“ Dr. D. sends his heartfelt sympathy to the Kimsey family. I so appreciated her volunteer service to Coach Hamilton and the AHS swim team. Don, you and Becky raised two wonderful daughters. May they continue to live their lives to make you both proud. Rest assured another Angel now watches over you all. May the comfort of friends surround you in the coming days and may the great memories linger long in your hearts.

“ Becky and I worked together at DCSS for over 17 years. She taught me to research items so that I could tell when she was stating facts or opinions. She taught me things that I never used to care about. I use this a lot to this day. We worked with Kirsten when she was on the swim team. Robyn and Kirsten were karate experts. We did weddings together. We cooked red beans and rice on boss's day. She and I have drifted apart because of life but she was very precious to me. My prayers are with Don, Kirsten, Robyn and family.
