I'm sure time has helped in healing your loss, but my mother had recently passed and I noticed your father's passing in obituary logs. I know it's been ages since we last spoke, but wished to extend sincere condolences. Hope you and your family are doing well.*

“ *On behalf of the family of Andy Pejko, we were sorry to hear of
Benny G's death. Andy has been in the hospital since before
Benny's death and has not yet been told. He spoke so often of
Benny and will be very saddened to hear about this when he is well
enough to be told. We all felt close to Benny, because Andy often
spoke highly of him. Peace and comfort to the family during these
days.*
