“ *Although I was not personally acquainted with Mrs. Christensen, I remember my mother speaking of her in years past; this makes me feel a connection. Seeing familiar names will bring back memories we've sometimes forgotten about and this is one of those experiences. In addition, I recall Inez and Hazel and it was just a week or so ago that we were speaking of them in connection with the Palmyra UMC anniversary preparations. My husband, Robert, joins in sending sympathies at this time of loss. God bless your family. Linda Wells*
