“ *Bernice was a true southern lady. She was gracious and charming. Bernice was a teacher at heart. She taught manners, grammar, cooking, patience and love. Her greatest gift to me was her teaching of forgiveness. Forgiveness not only of others but that a person must learn how to forgive themselves.*

*This kind, gentle woman will live on in my heart.*

“ *Driscoll Sweet Strawberries & Hershey's Chocolates lost one of their best customers when this dear lady passed !*

*We thank you Mrs. Denson for all of your love.*

“ *My Grandmother (Mamo) was one of the sweetest ladies I have ever known. She taught me a love for cooking, for plants & to appreciate all things beautiful. Only Mamo called me Jeffrey. I loved her with all my heart & know that she is watching over her unborn great-grandchild. I will miss her sweet voice.*

“ I was saddend to hear of Mrs. Denson's passing. She was one of the sweetest persons I have ever known. Her patience, understanding and compassion will be sorely missed. I am truly glad I had an opportunity to interact with such a genteel woman. I pray she is at peace. God bless you.
