“ *Thank you so much for sharing Bernice with me during the many years we enjoyed Golden Key trips together. Though I did try to keep up with her for sometime after she stopped traveling with me as I missed her so, I guess the days slipped into months so I did not realize she had moved to Lee County Health Care. I believe my last conversation with her was when she was considering moving into an assisted living facility, and she was going to let me know where and when she moved. She had a wonderful happy spirit that radiated to everyone around her. I will miss her too. Thanks again for sharing her with me for these many years.*

“ *We will definitely miss her at the family get-togethers. I will never forget her smile last year at Roger's wedding when we got her that ride on the back of "a big old Harley" she said she had always wanted.*

“ Dear April & family,
I'm sorry I was unable to attend the services yesterday, but due to the bad weather just before time for me to leave I wasn't able to make it.
April, you and Chip are so lucky that Sonny found and married Bernice. I don't think you could ask for a better mother than she was.
I remember the good times that the four of us had getting together to cook out and going to Lloyd's to eat and dance. Bernice always talked about those times after Sonny was gone, and then after Billy was also gone, we both did a lot of that. I'm so glad we were able to take the trips with Golden Key, and although Bernice had a hard time getting around, she didn't want to give up. On one of the trips they had 4 of the old country artists performing. I didn't know all of them, but she did. I always admired her outlook even though she had some health problems. I know it about did her in when she had to give up her home, but sometimes you just have no other choice. She was a good friend and I feel blessed for having known her.

“ To Mrs. Bernice's family, I am so sorry for your loss. Mrs. Bernice, Mrs. Joey and Mrs. Donna kept both of my daughters at ABC nursery. The first day I dropped the girls off, my oldest daughter was crying for me not to leave her and Mrs. Bernice told me to just go that she would quit crying before I got to the end of the street and she did. The girls loved staying with Mrs. Bernice from then on. I know that you will miss her and her sweet spirit. May the Lord give you peace and comfort during these difficult days ahead. With many prayers.

“ Dear David, Kay and Family
You are in my thoughts and prayers. Although I never met Ms. Bernice, I felt like I knew her for many years of working closely with Kay. I know she was a special person. Trust in the Lord as you go through the coming days.
