“ *Aunt Bernice was a wonderful person. She was the most independent person I've ever known. My memories of her as a child were like Christmas in the summer. She was a whirlwind. she would spoil us and bring my cousins down to Jacksonville to visit for a week each summer. We would go to the Beach everyday and have whatever we wanted. It was pure joy! And she was truly a Southern Belle...always wore her makeup. She could carry a conversation! I'm sorry I missed her funeral and I'm sorry that I didn't see her that often as life gets busy and complicated.*

'GOD BLESS AUNT BERNICE'

“ I am so sorry for your loss. We all look forward to the time, "In which all those in the memorial tombs will hear his voice and come out." (John 5:28, 29)

“ My aunt Bernice was a very strong example in my life of how to be an independent, self-sufficient woman. She was sweet, kind, and generous to fault. If ever there was anyone who deserves to walk in peace with her Lord, it was Bernice. She will be missed but the knowledge that she was ready to "go home" is my comfort.
