“ *Our deepest sympathy goes out to the family of Lion Betty. She always was very dedicated in serving the Camp when asked. On Lions Day at the Camp she always had a helping hand whether it be helping serve pork and beans, coleslaw on plates or just being there with her wonderful smile and contact with the Campers. Lion Betty had that personality that won the hearts, love and respect of anyone whom she met. Our memories we had with Lion Betty we will always have to remember her by and to cherish. What a wonderful Lion and First Lady!!!*

“ Our deepest sympathy goes to the family of Lion Betty Ervin. Lion Betty has left a true spirit of Lionism in our club as a member and throughout the world where ever she went. Her beautiful smile and loving personality will also be remembered and cherished by all that knew her. Always willing to do and help in anything she could. She served as a gracious First Lady in Lionism and left a legacy for all her knew her and loved her to follow. She indeed was the Albany Lions Sweetheart as well as being 18C Lions Sweetheart.

“ Betty (Gandi) was the best mother, mother-in-law, and Gandi anyone could ever ask for. She always had a smile on her face and made you feel like you were the most special person in the world when you came to visit. Chad loved to go to Gandi's and Hunter was already beginning to enjoy it as well. She got to see Hunter's first steps. She was worried she wouldn't live long enough to see him be born. He is 13 months now. The first thing Chad said when he found out she died was "She won't be able to cook me breakfast anymore." He thought she could make the best fried eggs. “ Elisabeth Kubler-Ross writes:
"People are like stained glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is light within."
Betty's light was bright and she always had so much of it to share. Her awesome love and light have touched her family, friends, and people across this great world.
Betty and I were friends for over 25 years. We went months and years without talking but were always able to pick up where we left off.
Her greatest gift to me was her constant accolade of what a great job she felt I did as a mother. I realize that she could have only felt this way because of the wonderful mother and grandmother she was.
She will be greatly missed but her presence and light will go on.
I will miss her.

My heart is broken, and my thoughts and prayers are with you doing this most difficult time. Words cannot express the love we have always had for you and Betty. Please know that we are here for you and that we love you so very much. I will always cherish every moment I had with Betty and count myself among the most blessed to have known someone so loving and giving of herself as she was. I know that Betty has gone home to be with Jesus and that we will see her again one day. I know that she won't have to suffer any more and that you know that she is at peace.

Jim, please know that I am here and will always be here for you. Just call on me.

My mother also sends her love and her sincere sympathies.

I will see you on Thursday and please call on me if you need anything.

Love,

Stan

“ *God needed a special angel in Heaven to watch over us here on earth and he chose Betty. Betty was loved by everyone. Once you met her she became a special person in your life forever and a treasured friend for ever. There is a void left in our hearts in her passing and she will be tremendously missed but we do know she is no longer suffering. You are in our thoughts and prayers and if there is anything we can do or need someone to talk with we are here for you.*
