“ *Please accept our deepest sympathy for the loss of your loved one. My maiden name was Homola. I am from Dothan, Ala. My father was an immigrant from Czechoslovakia . He came to this country in 1905. Since the name is rare, I am wondering if there is any connection in our family.Please feel free to contact me at our email address.*

“ *Brenda, We are sorry for your loss and your family's loss. Grandma Alice worked with you at Phoebe in the lab for many years. My uncle Gary, who is also deceased since 1997, knew your mom and dad. May god comfort you and your family during this time. Please let us know if there is anything you need. Tonya, Alice and Dianne*
