“ *Betty will be sorely missed! Her sweet, humble and unassuming nature, was so pleasant to be around. The kindness that she intentionally and easily communicated to all, was so attractive. She'll be missed, but thank God, her presence with Jesus is so comforting to all who loved her!* ”

Gone to a peaceful land and no pain to follow. I was a Mother, Grandmother and Great Grandmother. I am now The guardian Angel for all of you. THE light that shined the way for me the other night brought with it such delight and know with all ,I am with you always.Remember me...Please smile each time I come to mind and enjoy each day that you feel my light shine. Live my children...for life is short..live for the day that was given as a gift to each of you. Always strive to make your dreams come true. Nano
