“ *Dear Strickland family,
So sorry to hear about your loss. Nothing can fully prepare us for the loss of a loved one. But we can find comfort and hope that they are no longer suffering as ecclesiastes 9:5 reassures us that they feel nothing at all, and that One day we won't have to deal with death because there will be no more pain and death like Isaiah 25:8,9 tells us. hope this has brought some comfort to you. And again my condolences.*

“ Dear Steve, Mike, Randy and families,
I was saddened to hear about Betty's passing. Betty and Ronald were such a cherished part of our lives as we grew up. It feels as though a whole generation has left us, but with so many warm memories.

Jeanine and I send our prayers and thoughts your way. You were blessed with great parents. Our love to you all.

“ Dear Steve, Mike & Randy,
It saddens me to think that our childhood of family reunions is now a memory with the passing of Betty. Our folks were such a tight knit, loving family; they certainly left us a great legacy.

My heart is with all of you.....Judy (Hogshead Jordan)
