“ *I met Bev when she was working at the Marine Base in Graphic Arts. I always admired her work, and when I moved to Graphic Arts in 1976, she was already gone from there. over the years we became friends, and even took a pottery class together. she was one special soul, and I will always cherish her memories. God Speed on your journey, hon. I will light a candle in your memory.*

“ I lived down the road from Mrs. Starr from 5-8th grades. She was my Girl Scout leader for a long time. Her son, Chester, and I graduated high school together. I learned so much from her. I also was one of her nurses a few months ago. She will always have a special place in my heart.

“ Mrs. Beverly was my girl scout leader back about 40 years ago...I learned a lot during those years including the hobo campfire dinner she taught us...that to this day I still make on occasion, but in the oven. Prayers to the family.
