“ *Aunt Beverly will always be remembered by her loving nature, spunky personality, and servant's heart. If there was a problem, she fixed it. If someone needed help, she was in arms reach. If there was a good time, she embraced it. I am thankful for my memories of her and the times we spent together as a family. Love and hugs, always!*

“ To my sweet, strong, and beautiful Aunt Beverly,

*May you fly among the stars, drift across blue seas, and sail under infinite sunsets. You were so kind and generous to me. I never could have gone this far without you. You were my role model, friend, and mother figure. For everything you did, I'm bound to thank you for it. You will live on in my heart and in the hearts of many.*

You were always there for me. Thank you for helping me in raising our children and sharing your beach trips, cruises, and life with us. You were truly a blessing to our family. I don't know what we would have done without you. I don't know what I would have done without you.*

“ *Beverly left a beautiful mark on this earth and in our hearts. I've never known life without Beverly in it. She was the most beautiful person inside and out. I loved her infectious laugh, her love for family, and the genuine kindness she showed to all whom she loved. She was an incredible Aunt to me, and I am so very thankful for the life she represented. We celebrate who she was and the joy she brought to us all this Saturday. She will never be forgotten as she will live on in the beautiful memories we have of her. My love is with each member of her family she held so precious. To know Beverly, was simply to love her. Peace be with you, Beverly.*

“ Sometimes God sends people in your life that are not blood related, but seem so much like your family that you never think otherwise. Beverly was certainly one of those people and held just as much weight in all of our eyes as any family member ever will. She had this wonderful way of making everyone feel special, just like her mother-in-law, Ouida Wildes. She was a great listener and such a soft place to fall if you needed her. The truth is we all needed her in our lives. No matter what you were going through, she always had the best words of encouragement and hugs. What a wonderful, wonderful person she was to pick up all the pieces for us and make things right for so many in our family. We could never repay her for all she did for us, it's just not possible. To know Beverly was to love her and when you did, you knew she was special. What a selfless, beautiful person she was and will forever be missed by my entire family and hers. I love you Beverly and I know you loved me. Thank you for always being there for Gene and Morgan. God knew they would need you and how perfect His plan was for your life.

“ Aunt Beverly was one of a kind. She always made sure everyone was taken care of and felt loved. Even though Aunt Beverly and Uncle Gene didn't have any children of their own, their home was always one of the best places to be for all of the kids in our family. We spent many hours in the pool and aunt Beverly would bring us lots of snacks. Aunt Beverly always made sure she had your favorite snacks and would make you whatever you wanted to eat! She would let us rent as many movies as we wanted at the movie store as long as we promised to watch them all. Aunt Beverly and Uncle Gene would take a van load of their nieces and nephews ranging in age from toddler to teenager to Panama City Beach for a week. Now that I'm an adult with children of my own, I really realize how much work that was. They did it because they loved all of us. I will miss my Aunt Beverly so much but I am so blessed to have such wonderful memories of her!

“ To the Family of Beverly Lunday Hinson I want to say that I was so very sad and shocked when I heard yesterday that Beverly had passed away. She and I worked together for many years with Southern Bell and A T & T. She was a very Sweet and nice young woman and I thought a lot of her. Please know that you have my deepest sympathy.

“ Mimi always took care of others and made sure Freddie, Chase, & I had everything we needed. She catered to me in my teen years while I played Ouida Adams. I always enjoyed watching movies and her coming in to check on me and ask if I needed anything. She even went so far as to bring me a plate of unwrapped Hersey kisses and told me cheap chocolate is always the best and it was. She always gave the best advice and would fight tooth and nail for you even if she knew you were wrong. She loved Taking us to her happy place where we would lay on the beach and laugh and tease about the advertisement banners flying in the sky. “Criblets” will always be the funniest banner but she would argue that it was Crab legs! We would tease about the shirts and male bikini attire and always say “Chit happens”. Ilah and the banana boat and several other beach memories will always be a cherished laugh. She was like a second mother to me and did so much to make me and others feel loved. I will always remember all the special things she did for me and all the special memories I will hold near and dear to my heart. She was a such a selfless person, one of kind, and pretty much one of the best damn people I ever had the privilege of being close to. I will always miss her, will always love her and I always knew that I was loved.

“ Gene and Morgan, To grieve is a personal emotion. Everyone does it differently. My heart breaks for y'all. I truly know. I loved Beverly I can hardly remember a time she was not in the family. She was blood in every way. Like the best of friends and family when you don't talk everyday but you know they are there and you love them and you know they love you. When you see them it is like time has not passed. Loved her smile and laugh. Loved the way she has been there for so many of our family ( not just for Gene and Morgan). Truly the best person I have had the pleasure of knowing. She was a giving and loving person. My sweet God, I know we will all miss her. So so sorry I love you. Linda Gail

*PS I will miss playing Chicken foot and Uno, oh how will loved playing games.*
