“ *I remember him well, he sold me my first insurance policy when I was about 19. After meeting with him I realized that I had gone to school with his son Eddie and my sister was in Randy's class. My prayers are with the family. He was a dear sweet man and I'm sure he will be sorely missed.*

His smile, laugh and love for all was wonderful. Mr. McMichael was a fantastic Deacon for our family, a joy to so many as he visited those who are Homebound. “ *i just wanted to express my sincere condolences to you and your family over your loss, but i know it brings peace to you and all that knew Mr. Bill as i called him when i attended Raleigh White, to know that he is at home with the Lord and saving our places til we are all reunited one day. I will always remember his kind face and remarks, and how loving and caring he was to all who knew him, and i remember how he always had candy to share with everyone , no matter if it was the children or the adults, if you wanted candy , all you had to do was look for Mr. Bill. “ *Uncle William took me for my very first airplane ride. It was after he got out of the service and I was a teenager...15 or 16. I've never forgotten how thrilled I was. He was always so much fun to be with and an all around good guy. All of us who loved him share in your sorrow. With Love, Connie*

“ Mr. Bill will be missed very much. He was always so supportive of our kids when they played baseball and basketball. He came to most of the games. He was always jovial and happy. He was a good Christian man and let everyone know that he loved the Lord. We will miss him very much but also know that we will see him again in heaven.

“ Mr. Bill will always be a very special person in lives of everyone who knew him. Upon my first visit to Raleigh White Baptist Church in 1992, he was the first smiling face I saw. He was an amazing Christian man and will be missed terribly. I am so very proud to say that I was one of his "flock" whom he tended to prayerfully on a daily basis. He is and always will be loved. God bless him and may God give strength and grace to his family at this difficult time.

“ Mr. Bill was called the Candy Man by all that new him at Raleigh White Baptist Church. He always carried candy for the children and adults. He always was smiling and ready to give and receive hug from anyone who wanted to give/receive. He will be sorely missed. He will always be remembered and loved by anyone whoever crossed his path.
