“ *I remember Billie Jean from Highland Bapt. Church in Albany, Ga. She was always so cheerful and fun to be around. She usually sat behind my husband, Bob, and me. So sad to hear of her passing. But she's in the arms of her Savior.*

“ Jerry,

I am saddened by the loss of your companion, and best friend, but rejoice in the knowledge that you provided her with comfort, security, and friendship for so many years. I know you were a good husband, was very diligent in your job, thereby creating a stable environment for the both of you as well as your families. Without a doubt she will be missed and always remembered the rest of your life.

Sir, I know a lot about you, as well as your past, and I can truthfully say that I am very proud of you and all the many things that you have accomplished within your lifetime. It is, and has been, an honor to call you a friend, and a great co-worker. We may could have spent more time together, and should have, but we both know it has not been easy raising our families. You did a wonderful job in raising your family and my wish is that they may always be appreciative of the many sacrifices you made on their behalf. You are a wonderful individual and it is certain that time will ease your pain. As you go forth, take some time for yourself as you have earned it. I shall be thinking of you, and wishing you well, each and every day. It was a pleasure that I had met Billie Jean, even though it was only a few times. She was always kind and gracious. I now pray you comfort, great health,,, and I love you,,,, FRIEND.
