“ *Billie, I don't know if you remember me or not, but we worked together at M&M/MARS years ago. I was "Jan in Personnel". I am so sorry to hear of the death of your husband. I lost my mother in December and I understand the loss that you feel.*

I will pray for you and your family. May God bless and keep you and comfort you in this trying time. He is our source and strength.

*Sincerely,
Jan Weathersby*

“ To Billy's dear family:

One of the problems of being a United Methodist minister is that we must periodically MOVE. Our moving takes us away from some very dear people and good friends.

Ned and I are so sorry that we have not had opportunity to be with you very much during the last ten years. Your friendship continues to be precious to us.

Please know how much we loved Billy. We will continue to treasure the pieces of woodwork he did for us. They still grace my desk and our home.

Our love especially extends to you, Billie. May God's peace surround you. Remember as you celebrate Billy's life, that you continue to give thanks for your own and live it to God's glory. God loves you -

and so do we.
