“ I was taken back instantly when I saw that ya'll had lost Mr Billy to when Dewayne died. I know that the shock then would not be replayed. I saw Mr Billy several years ago and he looked older, but so did I. He knew me right away and was as talkative as always telling me how everyone was. I have many good memories with all of ya'll and truly hate we have not talked with each oter in years. I am sorry about the loss of Mr Billy but he is not in pain and now he has alot more people to tell his jokes to. Please contact me via email and I will give you a contact number.

Our loss is their gain and we will see him again one day.

“ Dear Family, (Gene & Shawn)

We are so sorry about the passing of your Dad. We really cared for him. He will always have a place in our hearts.

So sorry that we could not be there to help support you and let you know that we really do love you, but as things go, we could not be there. But in our hearts we were there. I (Aunt Sara) thought of you all this morning and had a prayer in my heart for you .

We will try to come and see you a little later and spend some time with you.

We love you and our prayers and thoughts are with you.

*Love,
Aunt Sara and Uncle Herman*
