“ Ms. Blanche was the sweetest lady. I really enjoyed talking with her when I visited Morningside. She and my mother really enjoyed a special friendship while together at Morningside. Mama misses her so much but is comforted in knowing she is happy now and no longer suffering. Ms. Blanche will be missed--what a nice lady she was!

“ *Blanche was a lady of class and strength. She was more given to us than taken away. Anyone who knew her was a better person for having done so. She gave our neighborhood its heart and soul and her quiet gentleness and spirit still grace us all. She leaves us richer for having known her, and for this, we are grateful.*
