“ *Blanche was dedicated to her church and always worked in it. She was a smart person who worked hard and tried to help others in many ways. Blanche had many talents:piano plyaing, singing, cooking and she was wonderful with keeping books. There was no doubt Blanche loved her Lord and she wanted everyone to know Him the way she did. Our sympathies to all the family. Love and prayers, Linda and Robert*

“ *Blanche was a very special friend and church member. I remember the great times we had in Circle with her as well as all other activities at the church. I have memories of her candy bag passing out candy to the children after church service and to anyone else that wanted candy. Known as "The Candy Lady". Our thoughts and prayers are with each one of you and May God Be with you to comfort you in your loss of such as special person.*
