“ *I am so sorry about Bobby's passing away. I knew her when she worked at Southern many years ago. I know she was a devoted wife and mother because she spoke of her family often. and an outstanding supervisor. My Mother knew her when she lived in Lucille, Ga. even before I worked with her so she has always been a part of my family and memories. I know she was also a Christian and I know even though you all will miss her she will be waiting for you in heaven.*

*With sincere condolences,*

“ *Mrs. Davis had a career and handled financial matters at a time before many women did those things. She was very business-minded and was always so kind to me. I have missed her these past few years. I am so sorry for the family's loss.*
