“ Dear Janet and Family,

It's difficult to find the right words to describe the kind of friend we found in Bobby. He brought so much joy to our lives over the years and we will treasure our wonderful memories forever. His laugh was infectious, contagious, and genuine, and we shared many! He was there in the good times and in the bad times. He loved a good cup of coffee and a casual conversation at the kitchen table. Bobby took a good game of charades and made it so much more fun just by being a part of it. He enjoyed the outdoors, his beautiful yard, going fishing, woodworking, his country and his church. But most of all he loved his wife, his children, and his grandchildren. Bobby was a blessing to so many and he will be missed.

*With Love,
Diane and Louie*
