Betty and family, Bobby and I were friends when his Dad had the auto shop on Pine Ave. in the 1950's. I just read about his passing and send prayers and sympathy to each of you. He was a kind, friendly, and giving man and Heaven received one God loving Angel with his passing through those gates. Lots of fond old day memories and sure each of you have them also. Bob will be sorely missed. Hang on to those fond moments and may God give you peace and rest. Harvey and Twila Willis
