“ *Bonnie was a gracious Southern Lady who was the mother of my best friend, Terri (her oldest daughter). Terri and I went to Nurses Training (the only Military Brats in our class) onward to the Medical College of Ga and then commissioned in the Air Force together. Bonnie was there as a super mother to both of us, through all of these endeavors. Organizing our apartment (dump) at Medical College of Ga. Inviting me into her home and treating me like family....during those student years. She was an exceptional seamstress and I remember how she sewed a blouse for Terri and then gave me one also. Family was the top priority in Bonnie's life and she protected and cared for her cubs. She expected greatness out of her children...and her expectations were achieved with her beautiful daughters. And Freddie, such a calming presence, and caring, loyal, dedicated spouse and father....My Condolences to you and your beautiful daughters.*
