“ *Brenda was my big sister, from the time I was born I wanted to be just like her. I was her shadow. She was always so cool in my eyes. We went through a lot growing up and she was always there for me; from birth she helped raise me like I was her own little baby doll. There are times over these years that I truly wish she was still here to guide me through. I still need my big sister. I will always cherish our times together and mourn the loss of such a truly wonderful soul.*

Brenda, I love you immensely. I miss you greatly. I will think of you daily. If you get lonely, just find mama. She missed you so very much, may you be reunited.

much love, Cat.

“ *My heart is just so heavy. I was looking up an obituary of a co-worker who've just passed, when i saw Rhonda's obituary, and then saw that her daughter had passed also. I worked at the former FastTrac convenience store in the late '80's with Rhonda and Carolyn. I remember Brenda coming to the store with her dad, she was such a beautiful little girl. I'm so sorry for your loss Carolyn, i'm praying for you and your family. My deepest sympathy in your hours of bereavement.*

“ My deepest sympatyh to all of Brenda's family and friends. I knew Brenda through business conversations over the phone and in e-mail. Even in that limited contact with her I came to know what a wonderful, very bright star she is. She will be missed.

“ I also attended Lee Co and graduated in 98. As soon as I looked at that picture I remembered that same smile in high school. Although I don't know what happened to her. I know that she has gone to a wonderful place. My prayers go out to the family. Brenda is now an angel in heaven. My prayers go out to the family.

“ A granddaughter but more.....
A friend but more.....
When we lost our granddaughter we lost much more than a member of the family and a friend.....
We lost the hope of great grandchildren.....
We lost the companionship of one possibly with new ideas and solutions to some of the mysteries of life.....
The void that was created by her passing will remain empty until some day when we will all be reunited.....

For God so loved the world that he gave his only begotten Son that whosoever believeth in him should not perish but have everlasting life....John 3:16

“ Gathered around the Christmas tree at Granny & Pappa's house when they were little, always taking care of the other small cousins. Brenda's presents would always light up a room when she was around. She was always full of love and joy. Love always. You will be greatly missed. Love, Aunt Ronnie

“ It sounds so simple, but I remember it most true. In all she did it was what would shine thru. Her hurt disappeared when others were near. The warm smile she showed always set me aglow.

“ Looking up to Brenda has been no easy task for me, but still I managed to do it. I was always impressed by her ability to take things and make them wonderful. Her smile and her sense of humor always brightened up everybody's day. What I will miss most about her is her heartfelt love for her family, immediate and extended. She's always cared for her mother, father, and siblings, and has always had her cousins, aunts, uncles, and grandparents in her heart. Brenda, my little cousin, I will miss you.

“ Brenda was my big sister. I loved her very much and I will miss her. I will always remember the times she played games with me. Sometimes she let me win. She was very smart and pretty. She had a beautiful smile, too. I will always be her "Summer Susie" and I know I will see her again one day.

“ As a cousin of Brenda`s. I will deeply miss her. We were the babies of the 80`s. Brandy, Anamarie, Brenda, Rose and myself were all born the same year. (The year of the girls). As a child when we were together. Boy did we have a good time. I regret I cannot be present. But my Heart, My love, thoughts and prayers are with you all.

“ Brenda and I attended school together. Our senior year, I picked her up in the mornings and took her home in the afternoons. We had a lot of the same classes. We still were close for a while after graduation. Unfortunately, we lost touch when she moved. People often would pick on us b/c we were always together and she was "the short red head" and I was the "tall red head". She did have a fiery temper but she was kind hearted person. She taught me how to shot pool at Gameland where it became a hang out for us for a long time. I was there when her and Troy split up and I took her to the trailer that they were living at (I believe in Doerun) and helped her get her elephants and other items.

Summer and Dylan were the light of her life. She talked about them all the time!!

She will be greatly missed. If there is anything that I can do for the family, please let me know. My number is 879-5550 (pager). I have a conference that I have to attend tomorrow but please know that my thought and prayers are with you.

With love,

Krissy Melton
