“ *I was so shocked to see Brendas obit in the paper. She and I used to work together @ Taylor-Made Transportation way back in the early to mid 80's. I last saw Brenda quite a few years ago at a funeral we attended while she was working at Kimbrell Stern. I can honestly say she was one of the nicest, sweetest persons I had ever met. Never moody at work, always a smile on her face. She was one in a million. My deepest sympathies to Ronnie and the entire family. She will be greatly missed. love and prayers go out to you, Peggy Bessolo*

“ *I just wanted to give you my condolences for the lost of your loved one. We have all lost a loved one in death and during this trivial time it can be very hard to endure. One way that I was able to find comfort was through God's word the Bible. God makes a promise to us that at Revelation 21:4 no more pain, sickness, or death will be anymore. God is not a lie so we know that his promise will come true for all. If you have anymore questions please go to www.watchtower.org for more information.*
