“ *Brett was my best friend throughout college and we continued to be close over the years despite how far apart we lived. He was a guy who I could always count on when I needed someone to listen. There wasn't anything he wouldn't have done for me.*

I will miss Brett dearly and will always remember how generous and loyal he was and how he used to make me laugh with his quick wit and great sense of humor.

“ Dear Dr. & Mrs. Studdard
Brett was my neighbor for over year. My fondest memories are when we would leave our homes at the same time and he had Drew with him, they both had the biggest smiles on their faces, they would come over and say hello. I will truly miss Brett. Please let me know if there is anything I can do for you. My thoughts and prayers are with you.

I can remember seeing him slip by your room to check on you during the school day and thinking that there was truly a loving son. There are no sure words of comfort at this time except to let you all know that you are lifted up in my prayers from Texas and will remain in my thoughts daily. God Bless, Edith*

“ There's never going to be any words that can express our loss and the life that has been so tragically taken away from our family. We will grieve forever, but with God's help time will ease the pain, but our love will be eternal. Now another beautiful star is shining in the heavens, along with Dad, Mom and Pricilla's family. When we look up we can smile because there will never be any more sorrow. Always remember our love and concern is eternal and everlasting

“ Dear Dr. and Mrs. Studdard, Holly and family,

I am so sorry to hear of Brett's death. He will be truly missed by all who knew him. Thinking back on my memories of Brett's friendship truly brings a smile to my face. He is a smart, witty and wonderful person. I remember about 10 years ago he, Raj, Chris and I went on a rode trip to Atlanta to see a Braves game. We had a great time hanging out, laughing, eating and just having fun. We even got in some basketball. Even though it was a 3 on 1 game (all three of us versus Brett), he still schooled us. It was a great time that I will never forget. I could go on and on? You are in my constant thoughts and prayers.

“ Dear Hugh and family:
Helen and I were driving to Florida Sunday. We stopped for gas in Cordele, where I bought an Albany Herald and read of Brett's death. We are so sorry. Know that you are in our prayers. I remember the summer he interned for me in the sports department and especially the whipping he gave me one day on the tennis court. We are retired and living in Manchester, GA so we don't get a lot of Albany news. Please know that you are remembered in this time of sorrow.
