“ We have fond memories of Brian when he and Trey Hardison went panning for gold. At the end of the day, we were muddy and tired but we had so much fun. We were like kids in a candy store. We were so proud of our gems. It was also a pleasure to have you as a student nurse during your clinical psychology experience at ACTO. We send you our deepest sympathy and prayers. “ I'm so sorry to hear of your loss. Brian and I shared many classes together in high school and he was always such a genuine, kind, and friendly guy. We may not have been the closest of friends, but it's still heartbreaking to learn of this news. I wish your family the grace of the Lord in this difficult time and pray that you all find peace.
