*Steve was a very special guy and he meant a lot to me. He was also a very intelligent guy. We had some great conversations together. He loved animals, plants, music. We used to talk about all kinds of different things. He had a big heart and one big awesome smile. I am Mary Ann one of Steve's sister in laws Mary Ann married to his baby brother Stacy.
May you rest in peace!!
Love and miss you,

*Jack and Debra:
I am so sorry to learn of Jack's brother's death. He was way too young to leave this world and I know your hearts are broken. Know that God loves you and will see you through all this and you will see Steve again one day. Love you all so much, and wish I had known earlier.....just found out today. Love you much,
Patsy*
