

Mr. Burton Coley Allen

December 14, 1983 - July 5, 2020

We are sad to announce that Burton Coley Allen (36 years old) of Albany, GA passed away on Sunday, July 5th 2020. Cole was the son of the late Dr. Edwin Whitaker Allen III and Linda C. Allen of Albany, GA. Cole was the brother to the late Stacy Marie Allen and is survived by his sister Tait Allen Stoddard (Rob) and Edwin Whitaker "Whit" Allen IV. He was also the uncle to Mary Whit, Worth, and Burton Stoddard. Cole had a passion for the outdoors and was always full of adventure. He enjoyed hunting, fishing, and any activity that was spent in nature. The loves of his life were his dogs, CJ and Buster. Cole has always had a special place in his heart for all animals. Cole was well loved and will be deeply missed. Due to the pandemic, we are limited to celebrating his life solely as a family. In lieu of flowers, please make a donation to the Albany Humane Society or Sally Wetherbee Adoption Center. Thank you for your prayers and support.

“ *Cole was one of a kind! For the rest of my life I suspect I'll never meet another soul like him and my most sincerest sympathies go out to his family. Cole had an amazing personality, was quick witted and was an amazing conversationalist. He had a talent for listening to the details that made you felt heard and seen. He was very protective of his friends, you never left him without him saying 'text me when you get home', he loved his friends like family, and his family most of all. He was very loving and sweet-hearted. You couldn't help, but love Ol' Cole! I will never ever forget him or the kindnesses he showed me.*

“ Linda, Tait, and Whit, Cole reached out to me on FB after we met at Buddy’s memorial. We had many mutual friends and shared a similar sense of humor. He loved that I could share happy memories of his dad. I’m heartbroken for your family and hope you can find some peace. My prayer is that there is a happy reunion going on up in heaven right now. Sending love and prayers.

“ Linda, Tait and Whit, I am praying for all of you. Your family was one of my favorites when we lived in Albany. Linda, you were such a kind person when our family had any problems that you could help us with. I treasure your friendship. Cole’s smile was always the most notable feature about him. Our family is praying for all of yours. We love you and know that you would rather have Cole back. I am sure that he is with many of his friends and Buddy and Stacy. Love to you all, Kay, LArry, Cain and Emily.

“ I'm pretty sure “swole Cole” took me on my first dirt road adventure back at Auburn. He was so special to me and was one of my most favorite people to be around back in those days. He was larger than life and such a presence. He will surely be missed. I will be praying for peace & comfort for your family. ❤️

“ Maybe a few months or so ago we had a hawk struck by a vehicle and the driver fled the scene. The hawk survived and we didn’t know what to do with it so I called Cole and he had help meet us and control the bird so it could be transported to safety.

“ Cole Allen you were there for my father Big Jim Fowler and my family when no one else was. You were the most generous sweet person to those you loved. My father thought of you like a son and you will always be my country brother. I never saw you happier than when on our family farm. We love you and know you are with Big Jim making him belly laugh as always. Love you Bro.

Linda, Paul and I are devastated by this news. Cole was over for dinner a couple of weeks ago with burke and dixon and we laughed so hard remembering old times. I'll never forget when he and Dixon met in Mothers Morning Out and have been like brothers every since then. We will pray for you and your family daily. He has a special place in heaven for his kind heart and soul. Love you
