“ Dear Aunt Virginia, Shelia, Joyce, and family,  
Uncle Calvin always had a smile on his face and big hug for me when we would meet.  
I have so many wonderful childhood memories of him and Aunt Virginia. One of my earliest memories is Joyce and I playing in the white sand at his job! That was a blast!  
Christmas Eve was celebrated at their home when we were young. It was always a full house and chaos - it was great! Uncle Calvin would always show the home movies. I remember lots of laughter. I was also fortunate enough to be invited to go camping at Fort Gaines with them. Uncle Calvin had lots of patience - I know because, he taught me how to water ski behind a fishing boat! It took awhile because I was slow to learn - but he never gave up on me. I can still hear his laughter when telling this story of how many times I fell in the water.  
He will be missed by those who knew him.  
Cherish the many fond memories. He loved you all very much.  
Through Christ, one day we will laugh again!  
With much love,  
Becky Zirkelbach and Family

“ Mr. Calvin, we will miss you so much - your smile, your laughter, your positivism, and your great faith. I will especially miss our buggy rides and long conversations. You taught us how to live and how to die - with integrity, grace, and love. We will hold you in our hearts until we can be together again.
