“ Miss Emma....you are truly missed by us all. Things will never be the same without you here. I have wrote a poem for you....

*Angels Awaiting*

*During our time of loss...  
When nothing seems as though  
life has no real purpose...  
We search for answers  
though there aren't any...  
We reflect upon our memories  
and find comfort in them...  
We remember the sound of  
your voice and laughter...  
And a smile  
comes over our faces...  
We find comfort in knowing  
that you're among the Angels  
that are waiting for us...  
When all is said and done  
and all is laid to rest...  
Just knowing you loved  
and cared for us  
makes us so very grateful..  
And there.....  
we find our peace.....  
and our purpose.*
