“ *We are so sorry we cannot be with you at this time. Did not find out about your loss till late last night. All of you are in our thoughts and prayers at this time. We will always remember the good times we had with Carl and the whole family, especially our teenage years together. William still tells a lot of the hog hunting experiences that we shared with Carl and Tommy. He will be certainly be missed by all of us. Love to all of you at this very sad time in your lives. Tootsie & William Ham.*
