“ *Chuck was a Friend and a father figure to me when I didn't have one. He told me about the radium springs and the fish/animals that lived there. He was always kind and caring even when I know my young self was probably aggravating at times. He was the best and I hate that my parents made me stay home and not go..I wish that one day I'll find his grave.*

“ Elizabeth, I am so sorry to hear about Chuck's passing. I wish I could have spent more time with the two of you. My funniest memory will always be of helping him get in that broken wheelchair at the hospital and taking him outside.If you ever need me for anything, remember I'm only a phone call away. Love you and miss you bunches!

“ Sorry I missed the funeral. I live in Warner Robins and didn't know about Chuck's passing till today (9 Mar 06). My deepest condolences to the Laubrich family as they deal with his passing. I knew Chuck and Sharon through our jobs and resulting friendships while working at Claytons House of Seafood back in 1975-76.
